MIDJ[®]

DESIGN IS A WONDERFUL LIFE

Facciamo questo lavoro da una vita e ancora oggi il nostro cuore si riempie di entusiasmo e meraviglia di fronte a un prodotto ben fatto. Forse è proprio questa l'essenza del nostro modo di intendere il design: un'attitudine e un istinto naturale che ci spingono a coltivare le idee per vederle sbocciare e godere della loro realizzazione. Ogni volta che designer, architetti e clienti scelgono un arredamento Midj, per noi è la conferma che stiamo facendo bene quello che più amiamo fare: progettare. È questa la spinta che ci porta a migliorarci sempre. La nostra mente non si ferma mai, è in continuo movimento alla ricerca di un design autentico, capace di trasformare il quotidiano in un'esperienza sempre più piacevole e funzionale.

DESIGN IS A WONDERFUL LIFE

We have been doing this job for a lifetime and still today our hearts are filled with enthusiasm and marvel at a well-made product. Perhaps, this is precisely the essence of our way of understanding design: an attitude and a natural instinct that drive us to cultivate ideas in order to see them blossom and to enjoy their realization. Each time designers, architects, and clients choose Midj's products, for us it is proof that we are doing right what we love most: designing. This is the motivation which leads us to always improve. Our mind never stops, it is constantly moving in search of an authentic design, capable of transforming everyday life into an increasingly pleasant and functional experience.

Paolo Vernier

AL FIANCO DI DESIGNER INTERNAZIONALI

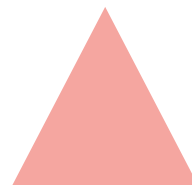

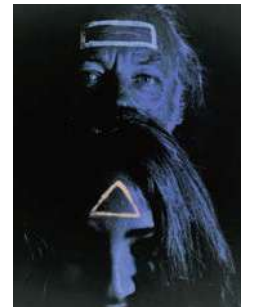

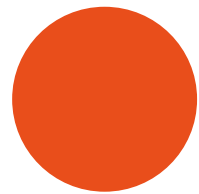

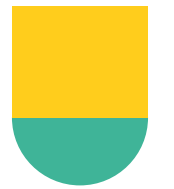

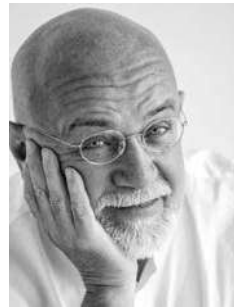

Amiamo il confronto con designer e progettisti da ogni parte del mondo, perché lo scambio di idee e intuizioni accende in noi quell'emozione che solo la nascita di un nuovo progetto porta con sé. Tutti diversi per storie, competenze ed esperienze ma accomunati da passione e talento. Siamo una grande famiglia italiana dove ognuno è fondamentale per contribuire al risultato. Quando si accende la scintilla e l'idea comincia a prendere forma, c'è qualcosa di elettrizzante nel lavorare insieme per trovare la soluzione giusta, quella capace di portare bellezza e funzionalità, negli spazi del vivere contemporaneo.

AT INTERNATIONAL DESIGNERS' SIDE

We love to collaborate with designers and architects from all over the world, because the exchange of ideas and insights ignites in us that emotion that only the birth of a new project brings with it. All different in stories, skills and experiences, but united by passion and talent. We are a large Italian family where everyone is essential to contribute to the result. When the spark is lit and the idea begins to take shape, there is something electrifying in working together in order to find the right solution, the one capable of bringing beauty and functionality to the spaces of contemporary living.

I DESIGNER

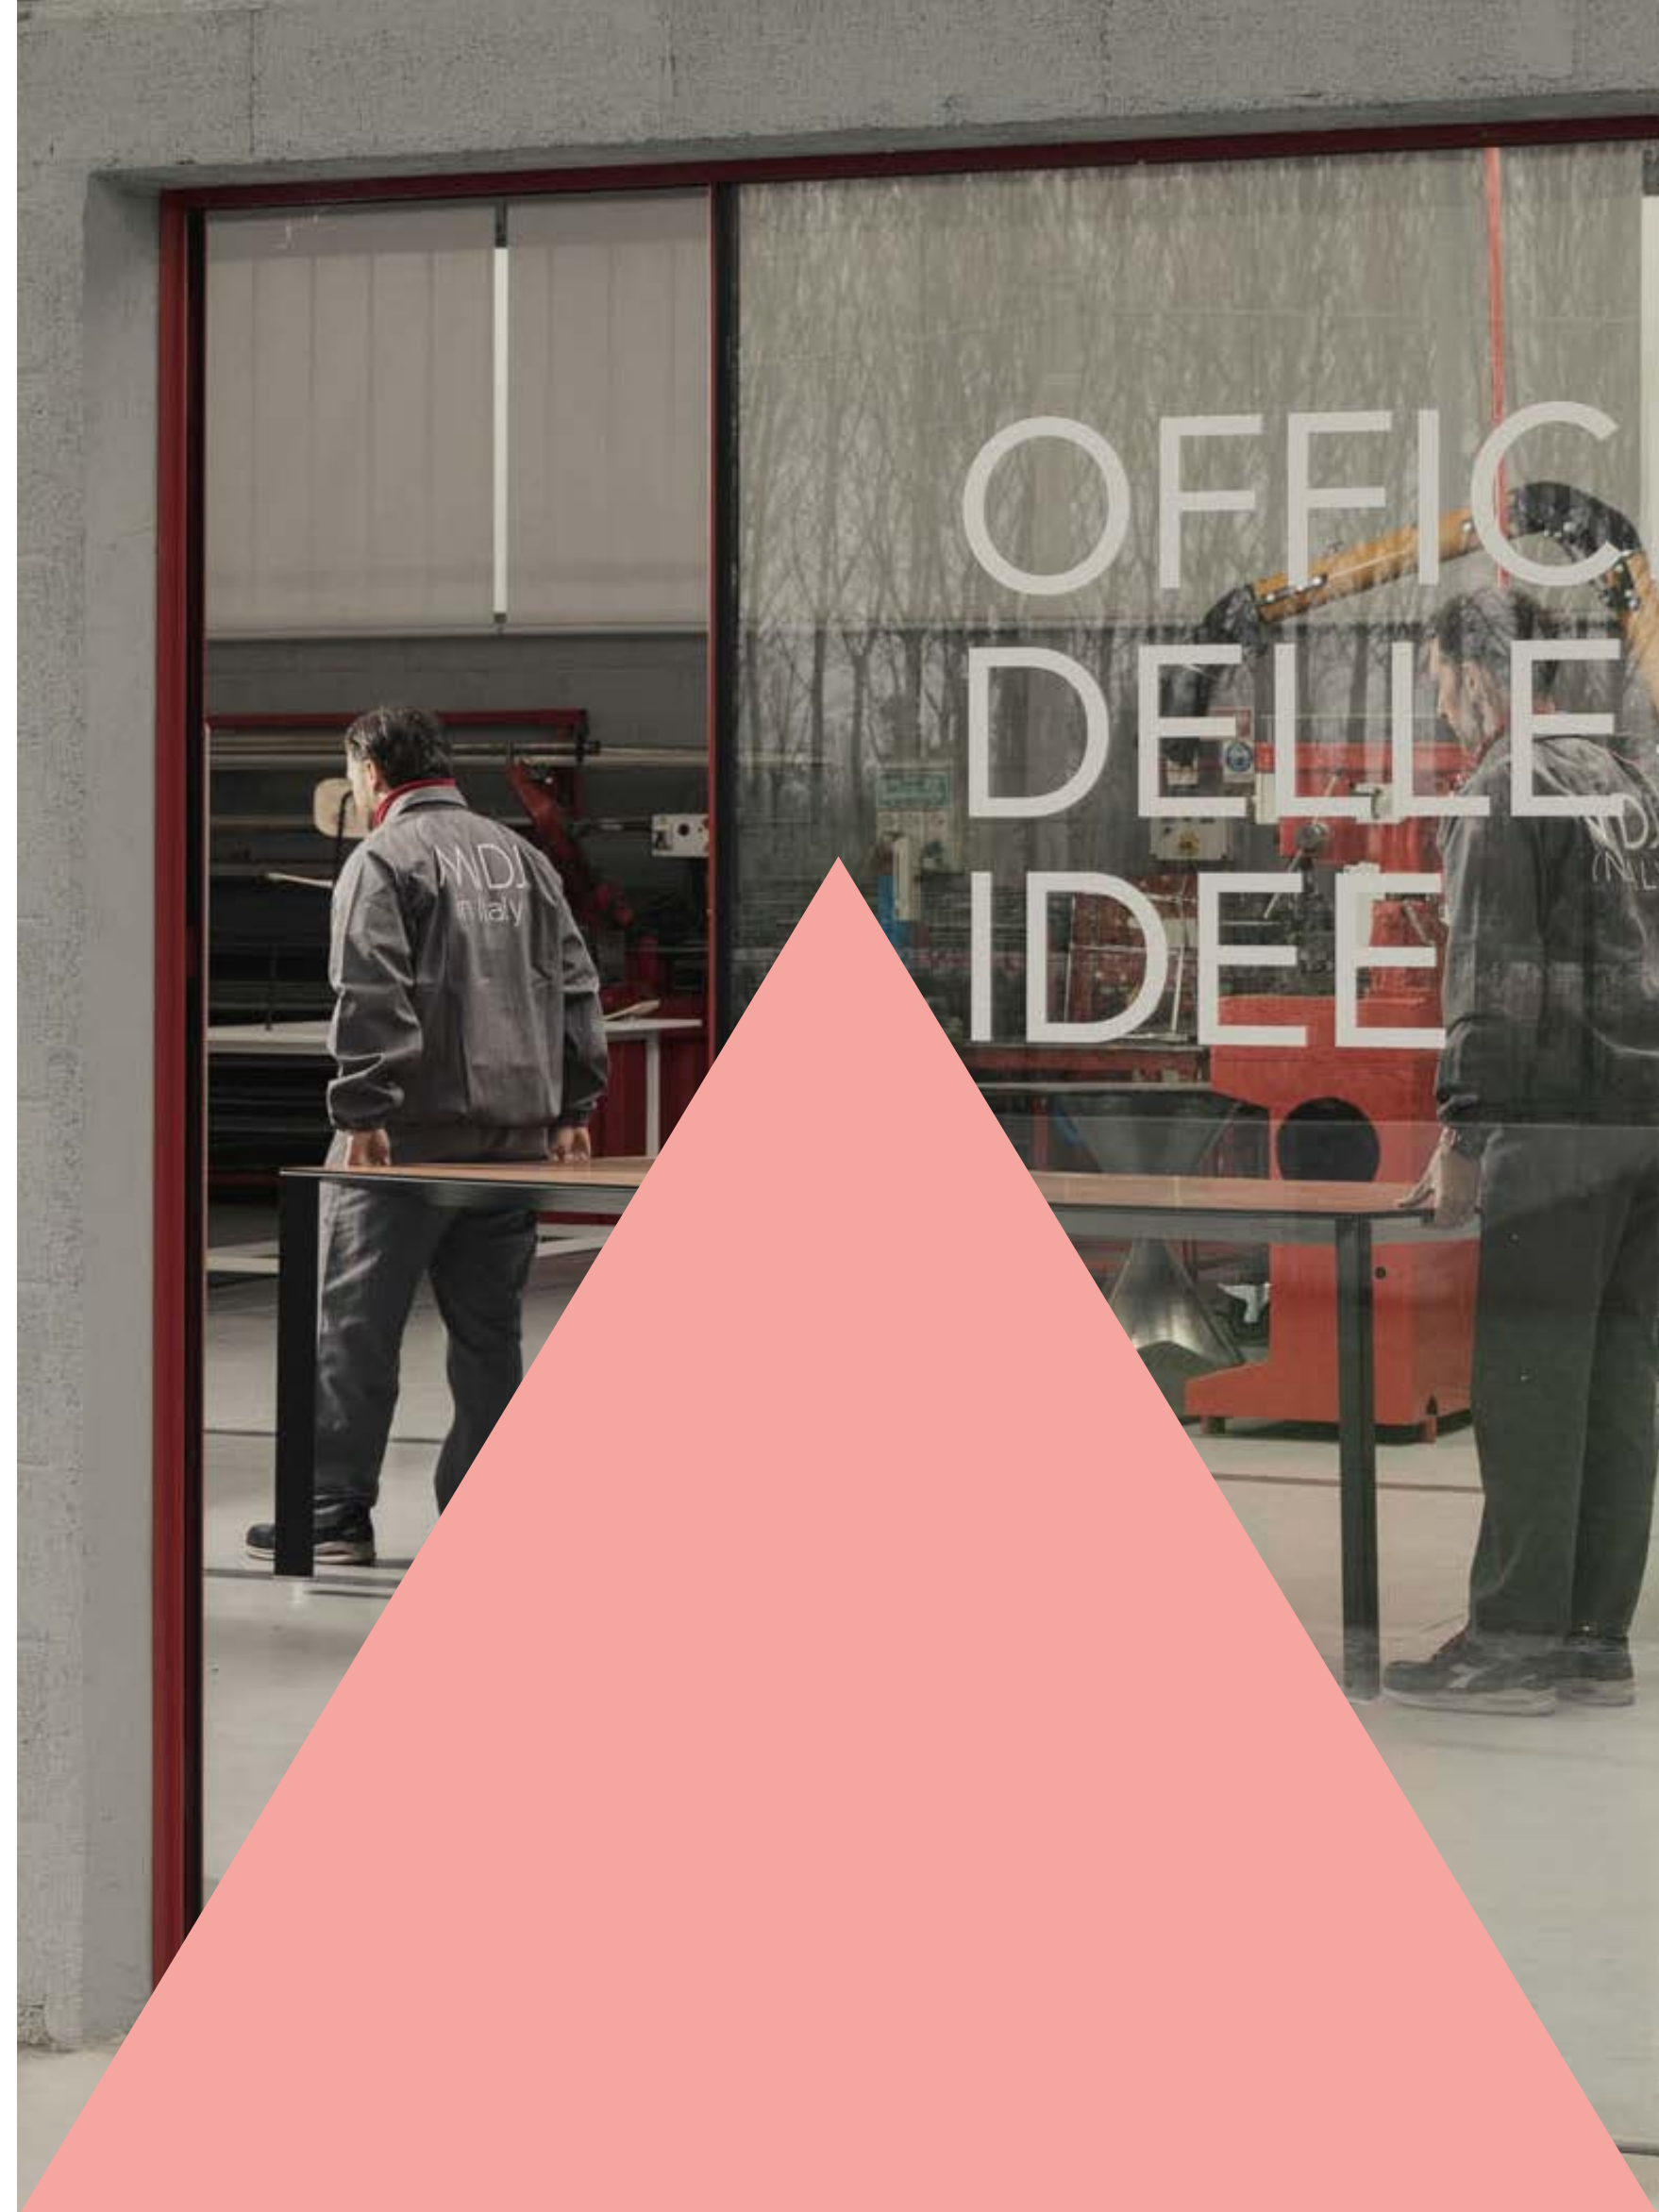

L'OFFICINA DELLE IDEE

Crediamo nella forza dirompente delle idee e le incoraggiamo con grande convinzione, consapevoli che ciascuna può trasformarsi in qualcosa di straordinario. È per questo che abbiamo creato un vero e proprio laboratorio di innovazione, uno spazio dove le idee incontrano il nostro sapere fare. L'abbiamo chiamato Officina delle Idee, perché qui la creatività abbraccia l'esperienza produttiva e l'intuizione sfida la tecnologia. La ricerca incessante e la sperimentazione, a volte fuori dagli schemi, ci portano ad esplorare strade inedite e ci guidano in un percorso appassionante fatto di sfide e tentativi, di errori e successi.

L'OFFICINA DELLE IDEE

We believe in the disruptive power of ideas and we encourage them with great confidence, aware that each can turn into something extraordinary. This is why we have created a real workshop of innovation, a space where ideas meet our know-how. We have called it Officina delle Idee, which literally means Workshop of Ideas, because here creativity embraces production experience, and intuition challenges technology. The incessant research and experimentation, sometimes outside the box, lead us to explore new paths and guide us on an exciting journey made of challenges and attempts, mistakes and success.

LA SCELTA DEI MATERIALI

Con il design Midj vogliamo trasformare gli ambienti in spazi da vivere, dove ciascuno può coltivare le proprie emozioni e i propri sogni seguendo il suo stile. Non poniamo limiti alla creatività di clienti e progettisti che possono realizzare il loro progetto d'arredo così come l'hanno sempre immaginato, semplicemente scegliendo tra un'ampia gamma di materiali, colori, trame, tessuti e finiture. Ogni interpretazione dà vita ad un prodotto unico, così come chi lo vive. Per questo ci impegniamo a esplorare e selezionare materiali innovativi, privilegiando quelli certificati che coniugano qualità e sostenibilità.

CHOOSING MATERIALS

With Midj's design we want to transform environments into living spaces, where everyone can cultivate their emotions and dreams following their own style. We do not set limits to the creativity of customers and designers who create their furniture project as they have always imagined it, simply by choosing from a wide range of materials, colors, textures, fabrics and finishes. Every interpretation gives life to a unique product, as well as those who live it.

This is why we are committed to explore and select innovative materials, favoring certified ones that combine quality and sustainability.

SAPER FARE ITALIANO DAL 1987

In Midj siamo in costante evoluzione, ma l'obiettivo per noi è sempre stato lo stesso: fare meglio. Profondamente innamorati del Made in Italy, puntiamo all'eccellenza con la stessa passione di un artigiano nella sua bottega, prendendoci cura anche del più piccolo particolare. Coltiviamo il nostro know how canalizzando ogni sforzo a raggiungere un risultato migliore, un'efficienza migliore, una qualità migliore. È questa dedizione al miglioramento continuo che ci regala la più bella delle ricompense ogni volta che, a distanza di anni, riscontriamo i nostri prodotti ancora perfettamente funzionanti e assolutamente contemporanei.

ITALIAN KNOW-HOW SINCE 1987

At Midj we are constantly evolving, but for us the goal has always been the same: do better. Deeply in love with Made in Italy, we aim at excellence with the same passion as an artisan in his workshop, taking care of the smallest detail. We nurture our know-how by channeling every effort to achieve better results, better efficiency, better quality. It is this dedication to continuous improvement that gives us the most beautiful of rewards every time, years later, we see our products still fully functional and absolutely contemporary.

LA SOSTENIBILITÀ

Le idee e i valori che condividiamo con tutto il team sono radici solide da cui partire per progettare il nostro domani, dedicando energie e risorse sempre maggiori per costruire una filiera interamente green. La sostenibilità in Midj è un approccio quotidiano che orienta in modo consapevole ogni nostra azione: la scelta di materiali a basso impatto ambientale, la collaborazione con fornitori a km0, la valorizzazione del territorio, la riduzione delle emissioni e la tutela della sicurezza, della salute e della qualità della vita di tutti i nostri collaboratori. Il nostro impegno è quello di realizzare prodotti destinati a durare nel tempo, che diventano il simbolo del nostro rispetto per l'ambiente e dell'impegno per proteggerlo.

SUSTAINABILITY

Ideas and values that we share with our team are a rock-solid point to start designing our tomorrow, committing always greater energy and resources in order to build an entirely green production chain. Sustainability for Midj is a daily approach that guides in a conscious way all our actions: choosing environmentally-friendly materials, collaborating with local suppliers, giving value to our territory, reducing emissions and protect the safety, health and quality of life of all our collaborators. Our dedication is that of creating products intended to last over time, in order to become symbol of our respect for the environment and commitment to protect it.

La casa è il centro della nostra vita, racconta la nostra storia ed è profondamente connessa con il nostro modo di essere. Le proposte Midj si inseriscono con disinvoltura negli spazi della casa ed interpretano i bisogni e le abitudini della quotidianità, adattandosi ai nuovi modi di abitare. Tavoli, librerie, mobili contenitori e sedute danno vita ad ambienti armoniosi che rispecchiano la personalità e lo stile di coloro che li abitano, grazie alla possibilità di personalizzare ogni soluzione. Funzionale, autentico ed essenziale, il design Midj è un'esperienza unica, da vivere giorno dopo giorno.

The house is the center of our life, it tells our story and is deeply connected with our way of being.
