Plissé: un omaggio alla moda che veste ogni spazio, interno ed esterno

Tavoli pensati per vivere molteplici vite, capaci di essere conviviali e familiari, ma anche pronti a trasformarsi in spazi dedicati al lavoro, alla lettura o al relax. Dalla visione di Paola Navone prende vita Plissé, una collezione di tavoli che fonde eleganza scultorea e leggerezza informale, perfetti sia per interni raffinati che per spazi esterni.

Con un tocco ironico, Plissé celebra la moda e l'iconica lavorazione plissettata degli anni '50 e '60. La sua versatilità emerge non solo nel design, ma anche nella ricercatezza dei materiali: dal legno al metallo, fino alle raffinate finiture in cristallceramica e marmo. Ogni tavolo è un pezzo unico che diventa, esaltato dalla cura dei dettagli, il fulcro visivo e funzionale di qualsiasi ambiente.

Plissé: a tribute to fashion that dresses every space, both indoors and outdoors

Tables designed to live multiple lives, capable of being convivial and familiar, yet ready to transform into spaces dedicated to work, reading, or relaxation. From Paola Navone's vision comes Plissé, a collection of tables blending sculptural elegance with informal lightness, perfect for refined interiors and outdoor spaces alike.

With a touch of irony, Plissé celebrates fashion and the iconic pleated designs of the 1950s and 1960s. Its versatility emerges not only in design but also in the refined choice of materials: from wood to metal, and sophisticated finishes in crystal-ceramic and marble. Each table is a unique piece that, enhanced by meticulous attention to detail, becomes the visual and functional centerpiece of any space.
